

Enclosures and reservoirs for optimal hydraulic performance

Protecting your snow plow equipment and safely storing hydraulic fluid are essential considerations. Whether you need protective enclosures safeguarding your winter maintenance control systems from the elements, or functional reservoirs offering combination or standalone tanks, Certified Cirus Control Systems offers a variety of sleek, compact reservoirs and effective enclosures.

ENCLOSURE SIZES AND MATERIAL OPTIONS

- Mini
- One-ton
- Patrol
- Large patrol
- Powder-coated mild steel
- Stainless steel

RESERVOIR COMBO FEATURES AND BENEFITS

- 17 and 35 gallon capacity
